Founded in 1977, the Italian-American Lawyers Association – Los Angeles County (IALA) fosters friendship and networking among lawyers and judges interested in Italian-American heritage and affairs, provides Bar-certified continuing education, and participates in civic and community activities to improve legal practice and ensure the proper administration of justice.

IALA meets at Casa Italiana, at 1051 North Broadway, on the third Wednesday of each month. Known for outstanding speakers and *authentic Italian meals*, IALA meetings are fun and informative. IALA members celebrate being together and Italian, and those who aren't Italian celebrate with us!!!

Our annual events include *California Supreme Court Night*, generally featuring the Chief and available Associate Justices, *Gaelic and Garlic Night*, held with the Irish American Bar Association, and **East-West Night**, held with Los Angeles-area Asian bar associations.
