Founded in 1977, the Italian-American Lawyers Association – Los Angeles County (IALA) fosters friendship and networking among lawyers and judges interested in Italian-American heritage and affairs, provides Bar-certified continuing education, and participates in civic and community activities to improve legal practice and ensure the proper administration of justice.

During the pandemic, IALA meets on Zoom, generally on the third Wednesday of each month. Known for outstanding speakers, IALA meetings are fun and informative. IALA members celebrate being together and Italian heritage, but we invite *everyone of every heritage* to celebrate with us!!!

This year's events include evenings honoring **Dr. Anthony Fauci**, with guests **Joe Mantegna** and **Jay Leno**, and **Supreme Court Justice Samuel Alito**.
